

## **EEPC India organizes Seminar on ‘Export Awareness & Information on Doing Business with Canada’ at Bhopal on 16 July, 2011**

EEPC India in association with Govindpura Industries Association organized a seminar on ‘Export Awareness & Information on Doing Business with Canada’ on 16<sup>th</sup> July, 2011 at Bhopal. The Chief Guest for the event was Shri P.K. Dash, Principal Secretary, Commerce Industry & Employment Department, Government of Madhya Pradesh.

The event was attended by more than 100 participants who comprised of entrepreneurs from Govindpura and Mandideep Industrial Areas of Bhopal. In the seminar participants were apprised about EEPC’s role in boosting exports from India and information on subsidies like MDA and MAI Schemes and Focus Market / Product Schemes offered by the Ministry of Commerce, Government of India.

Information on ‘Doing Business with Canada’ was provided to each participant under which details on Canada, its economy, export-import scenario, its trade with India and potential opportunities for Indian engineering companies was compiled. Participants were also informed about EEPC’s forthcoming Promotional events, one of which is ‘The India Show’ in Toronto, Canada scheduled to be held on 17-20 October, 2011. Another event EEPC India will be organizing is Indian Engineering & Sourcing Show at Mumbai on 22-24 March 2012.
